

Tucker, 4yr. abandoned on busy street in CT, fostered CT , adopted MA

Jenny, 5 yr, surrendered by owner to vet, adopted CT

Franklin, 8 yr abandoned by his family, fostered/adopted on LI

What they teach us:

1. To live in the moment, don't dwell on the past.
2. Gratitude for small kindnesses, especially our senior labs.
3. Ability to trust again, even when they have been abandoned or left at a shelter

SAVE A LIFE!
FOSTER A LAB!

LRRCT, Inc
Foster Program

FRANNY(mother)/MARSHALL(son)rescued from shelter,fostered and adopted together

THE LIVES YOU SAVE, AND THE LOVE YOU GET, WILL WARM YOUR HEART. THEIR GRATITUDE WILL ENRICH YOUR LIVES.

WHEN YOU FOSTER, YOU....

- * provide a rescued Lab with a safe, peaceful haven on their journey to their "forever" home;
- * help over-crowding in shelters;
- *assist in the adoption process;
- * get a whole bunch of Lab love and gratitude and some great company too!

WHAT YOU LEARN.....

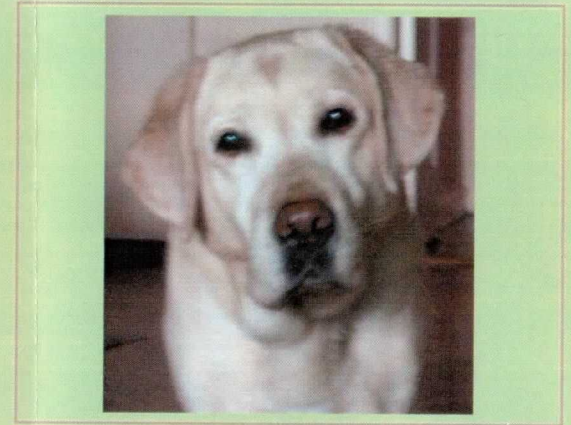

Through no fault of their own, good dogs end up in shelters. They are surrendered because of owner illness/death, moving, financial issues and more recently serviceman's deployment overseas. Many municipal shelters are over-crowded and it doesn't matter if you are the best behaved or most beautiful lab in the world; they are still euthanized to make room for incoming dogs. Owner surrenders can be euthanized immediately, there is no "wait" period.

Schylar(above)10 yr. fostered/ adopted in NYC Maddie, Coco and Ramsey, fostered/adopted CT

SUPPORT FOR OUR FOSTERS

All labs go through a temperament evaluation and are updated with immunizations prior to being placed in a carefully matched foster home.

All medical expenses are paid by the rescue. You may be asked to transport for a vet appointment.

If necessary, we supply crate and food for your foster. It is your choice if you want to donate the cost of their food.

Foster Manual , foster information and training session provided. A foster coordinator is assigned to help with any problems or answer questions.

FOSTERS MUST...

1. Complete a foster application
2. Be available for a home visit
3. Be able to make a commitment to foster from 1-4 wks.
4. Experience with labs a plus.
5. Time to exercise and supervise a lab
